

Leadership Questionnaire

Sarpino's Pizzeria is looking for the best qualified candidates to become our Franchise Strategic-Partners. In order to determine if we are right for each other, we are asking you to complete the following questionnaire. Please take your time in responding the questions below. Once completed, the questionnaire will be returned to Sarpino's Pizzeria for review along with the other documents you have been asked to complete. Thank you in advance for your responses.

1. Please describe in detail your leadership experience.

2. What is your ultimate dream? This can be anything you want, for example, retire early, travel the world, sending your kids to college, starting your own charity, etc. Describe it as if you already have and are currently experiencing it right now,

Example # 1: I retired at age 40 and am currently on the world travel tour with my wife. So far we've visited Italy, Spain, and Portugal, and have 8 more cities to visit this year.

Example # 2: At age 65 I would like to be debt free, have savings of \$250,000.00, and a trust fund of \$500,000.00 for my grandchildren's education.

Example # 3: At age 65 I would like to be happily married, debt free, have \$700,000.00 earning interest, and have a business that I can sell for about \$500,000.00.

3. What does your dream look like?

Describe it in as much detail as possible. (Continuing with Example # 1 above: "My wife and I are healthy and happy as we effortlessly travel first class from country to country. A private limo picks us up at each airport we land at and whisks us off to the next 5 star hotel".

Leadership Questionnaire

4. What does your dream feel like?

Again, use as much detail as you can. For example: "It feels so good to be free and to be close to my family, the stress and strain I used to wake up with when I struggled to make the financial ends meet is now gone. I feel totally relaxed and in control for the first time in my life".

5. Write down 5 compelling reasons why you must transform your dream to reality.

For example: My kids are getting older and we must spend more time together before they grow up and move away.

6. Write down 5 things that must change in order for you to achieve your dream.

7. Why does a Sarpino's Pizzeria Franchise appeal to you?

8. Why should you get awarded a Sarpino's Pizzeria Franchise?
